**STABILITY CERTIFICATE**  
(FOR THE BUILDING STRUCTURE)

This is to certify that I am registered Structural Designer with Surat Municipal Corporation having Registration no. T.D.O. / St. Dr. / 06. & Surat Urban Development Authority having Registration no. SUDA - L - STR - 75.

I have been engaged as Structural Design Consultant for the structural part of the development undertaken by

Owner / Developer : **SHRI SHRI RAVISHANKAR VIDHYA MANDIR.**

Name & Address of Property : **SCHOOL BUILDING AT ABHVA, SURAT.**

The building was designed by me as per architectural plans prepared by VISTAR ARCHITECT; under the full supervision of Owner / Developer / Site Supervisor; for the provisions of I.S. 875, part II and I.S. 456 for Ground + Two ( Educational Building,  $LL=3.0KN/m^2$  ) + Third Floor Part Hall (  $LL=4.0KN/m^2$  ) & Part Terrace (  $LL=1.5KN/m^2$  ) only.

I have inspected the structure on **23/01/2020** and it do not exhibit any sign of distress and the structure seems to be safe for the intended use.

The above stability certificate is given on basis the following conditions:

- > Change / Alterations of any kind i.e. change of use, alteration wall positions or any alteration involving structural configurations shall not be done without our prior permission.
- > Addition & Extension of building structure shall not be done.
- > My responsibility will cease in the event of overloading or lack of proper maintenance of structure or any such act, which is detrimental to the structure.
